### **Action Taken Report of IQAC Meeting held on 29th February 2024**

In compliance with the discussions of the IQAC meeting held on 29th February 2024, the following activities were successfully conducted in the month of March 2024:

#### **1. Two-Day National Seminar on "Technical Terminology in Social Sciences"**

Date: 4th and 5th March 2024

Collaborator: GDC Tral and Ministry of Education, Government of India

Overview: The seminar aimed to explore and elucidate technical terminology in the realm of social sciences. Scholars and experts convened to discuss and dissect the nuanced vocabulary within the discipline. The event fostered interdisciplinary dialogue and knowledge dissemination.

#### **2. Fazilat i Ramadhan and Naat Competition**

Date: 20th and 25th March 2024

Description: This event showcased the religious and cultural richness and artistic talents within the college community. The Fazilat i Ramadhan and Naat Competition provided a platform for students to exhibit their literary and oratorical skills, celebrating the spirit of creativity and devotion.

#### **3. Observance of International Water Day**

Date: 23rd March 2024

Description: The college commemorated International Water Day with fervor and commitment towards environmental stewardship. Various activities were conducted to raise awareness about water conservation, emphasizing the importance of sustainable water management practices.

#### **4. Two-Day Plantation Drive**

Date: 28th March and 30th March 2024

Objective: To promote environmental sustainability and green initiatives within the college campus and surrounding areas.

- Activities: The plantation drive involved the planting of diverse tree species, enhancing biodiversity and contributing to ecological balance. Students, faculty, and staff actively participated, reaffirming their dedication to environmental preservation.

**Action Taken Report**  
**IQAC Meeting held on 19th April 2024**  
**Principal's Chamber, Government Degree College, Tral**

The following activities were successfully conducted during the months of May, June, and July 2024:

**1. Faculty Induction Program (May 2024):**

A one-week Faculty Induction Program was conducted in May 2024. The program was well-received by the faculty members and aimed at orienting them with the institutional culture, academic responsibilities, and current educational trends.

**2. Alumni Meet (Last Week of June 2024):**

The Alumni Meet was organized in the last week of June 2024. A temporary alumni body was formed during the meet, which will facilitate further engagement and collaboration between the alumni and the college.

**3. Newsletter Release (Visit of Director, Colleges Higher Education, J&K):**

A newsletter was released on the day of the visit of the Director, Colleges Higher Education, J&K, to the college.

**4. 7-Day Special Camp (Nagbal Village):**

A 7-day special camp was successfully held in the adopted village of Nagbal. The camp focused on community service, awareness programs, and skills development, benefiting the local residents.

**5. Literary Seminars – "Meet The Author" Series:**

In addition to the above activities, literary seminars were organized under the title "Meet The Author." Experts and authors from outside Jammu & Kashmir were invited to interact with students and faculty, enhancing the literary and intellectual environment of the college.

These activities were conducted in line with the strategic goals of the IQAC and contributed to the overall development of both the institution and the surrounding community.

**Action Taken Report**  
**IQAC Meeting held on 6th September 2024**  
**Principal's Chamber, Government Degree College Tral**

The following activities were successfully conducted during the months of September to November 2024:

1. **Educational Tours:** A series of educational tours were organized, providing students with hands-on learning experiences and exposure to various fields:
  - **Historical Tour to Matan, Anantnag, and Naristan:** Students explored important historical sites, enriching their knowledge of the region's cultural heritage.
  - **Geographic Visit to Dal Lake, Srinagar:** A tour focused on the geography and ecology of Dal Lake, enhancing students' understanding of environmental science.
  - **Field Visit to the Pharmaceutical Department of the University of Kashmir:** Students gained insights into pharmaceutical sciences and research methodologies.
  - **Training cum Experiential Learning at the Mushroom Cultivation Training Center, Lal Mandi, Srinagar:** Students participated in practical learning about mushroom cultivation, fostering hands-on agricultural knowledge.
  - **Field Visit to Aromatic Field Station, Bonera, Pulwama:** This visit exposed students to aromatic plant cultivation and its applications in various industries.
2. **Contests, Rallies, Painting, and Essay Competitions:** A series of contests, rallies, painting, and essay competitions were conducted during this period. These activities aimed at enhancing the creative and intellectual capacities of students, fostering a healthy competitive spirit, and raising awareness on various social and environmental issues.
3. **Promotion of Interfaith Harmony:** In line with the college's efforts to promote interfaith harmony, **Gurumat Samagam 2024** was celebrated with great enthusiasm and zeal. The event encouraged the spirit of unity, respect, and mutual understanding across different faiths, contributing positively to the college's diverse cultural landscape.

These activities reflect the college's commitment to promoting educational, cultural, and social engagement among students, further strengthening the academic and extracurricular environment.
