

Report on World AIDS Day Program: "Take the Rights Path: My Health, My Right!"

On 10th December 2024, the Red Ribbon Club of Government Degree College (GDC) Tral, in collaboration with the IQAC, Department of Environmental Science, and Department of Chemistry, organized a program to commemorate World AIDS Day. The event emphasized the global theme: "Take the Rights Path: My Health, My Right!" and aimed to spread awareness about HIV/AIDS.

The program featured Dr. Ummer Rashid Zargar, Assistant Professor in the Department of Zoology, GDC Dooru, as the resource person. Dr. Zargar delivered an insightful lecture covering various aspects of HIV/AIDS, including its origin, modes of spread, and strategies for prevention. His comprehensive discussion aimed to empower participants with knowledge to combat stigma and prioritize health rights. A brief yet engaging question-and-answer session followed the lecture, allowing attendees to clarify their doubts and further explore the subject.

The program was expertly moderated by Mr. Ferooze Ahmad Rafiqi, Convener of IQAC, GDC Tral. His coordination ensured the event proceeded smoothly and effectively conveyed its critical message to the audience.

The event was a significant step in fostering awareness and reinforcing the commitment to health rights and HIV/AIDS prevention in the community.
