On 3rd June 2024, a significant career counselling session was organized for the outgoing 6th-semester students of the 2021 batch at Government Degree College (GDC) Tral. This event aimed to provide students with comprehensive guidance on various career options and pathways to ensure a prosperous future.

The session saw participation from a distinguished panel of faculty members, including:

- Dr. Shabir Hussain Mirza
- Dr. M. Shafi Bhat
- Dr. Mushtaq Ahmad Lone
- Dr. Fayaz Ahmad Shah
- Dr. Suhail Ahmad Bhat
- Dr. Rafiq Ahmad Khan
- Dr. Rafiq Ahmad Wani
- Dr. Samiullah Rather
- Dr. Javaid Ahmad Wani

These eminent professors provided insights and advice on various career opportunities available to students across different streams.

Highlights of the Counselling Session

1. Importance of Career Planning: The session began with an emphasis on the critical stage at which students currently stand, highlighting the importance of making informed career choices. The faculty stressed that this juncture is pivotal for shaping their futures.

2. Diverse Career Opportunities

Students were made aware of the multitude of career paths available:

University and Professional Institute Courses: Information was provided about various postgraduate courses in universities and professional institutes across the country. The faculty discussed fields such as humanities, sciences, commerce, and professional degrees.

Entrepreneurial Institutes: The growing trend of entrepreneurship was highlighted. Students were encouraged to consider starting their ventures, with guidance on the resources and support available for aspiring entrepreneurs.

Computer and IT-Related PG Courses: With the increasing importance of technology, the faculty emphasized postgraduate courses in computer science and information technology. Opportunities in these fields were discussed, including the potential for high-paying jobs and the constant demand for skilled professionals.

3. Employment Opportunities

The faculty elaborated on various employment opportunities:

Domestic Opportunities: Students were informed about job prospects within Jammu & Kashmir and other states. The discussion included sectors like education, healthcare, finance, and government jobs.

Overseas Employment: Opportunities abroad were also discussed. Students were encouraged to consider global career options, with advice on how to apply for jobs overseas and the necessary preparations for working in a foreign country.

Administrative Jobs: A significant part of the session focused on administrative careers. The faculty encouraged students to prepare for competitive exams such as the IAS, KAS, and other civil services exams, explaining the benefits and prestige associated with these roles.

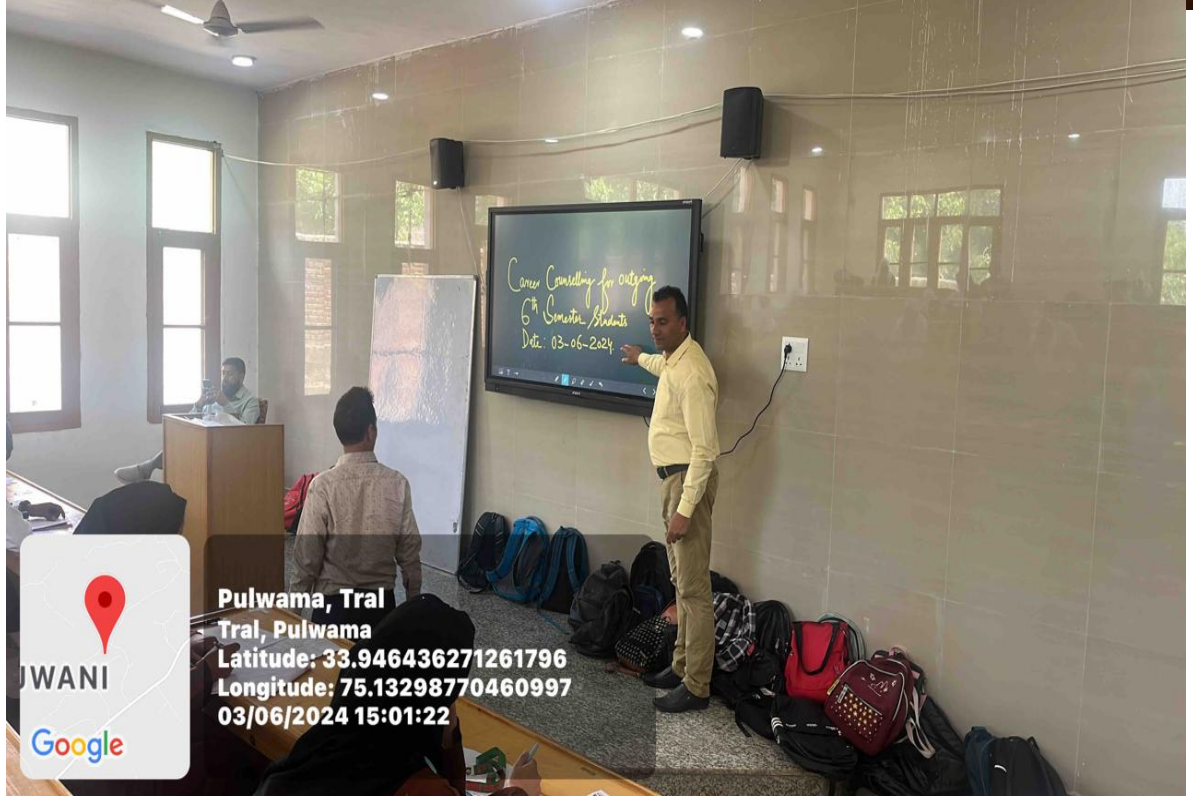

The career counselling session at GDC Tral was a comprehensive and enriching experience for the outgoing 6th-semester students. The faculty's extensive deliberations provided students with valuable insights into shaping their careers. By exploring diverse career paths and employment opportunities, both within and outside the state, the session empowered students to make informed decisions about their futures.
