### **User Guide for CUET Applicants**

## Jammu and Kashmir (UT) Higher Education Department Undergraduate Admission Portal 2024-25

A comprehensive user guide for students for J&K (UT) Higher Education Department UG admission process.

## Website Walkthrough

The admission portal contains information to help applicants choose the right programmes according to their CUET score. Applicants can browse through several menu items in the admission portal which are as follows.

- Home
- Admission Guidelines
- Notifications
- Institutions
- Programme Information
- FAQ
- Contact Us
- New Registration
- Login

#### Home

The home button takes the user back to the home page. It is the landing page of the portal. The home button is useful for applicants who want to quickly return to the home page after navigating to other pages in the portal.

The home page allows the applicant to check various notifications in the notification panel added by the university regarding the admission process.

### Notifications

The notifications section contains links to public notices. Public notices are announcements that are made to the public about upcoming events or changes to rules and regulations. They are important for applicants to be aware of.

The public notice tab menu typically includes: notices, ordinances, other important announcements

Public Notice		
showing 1-1 of 1 item.		
TITLE	PUBLISHED ON	DOCUMENT
	Select date [Show list date onwards]	
Basic Instructions for Admission Session 2023-24	26 Jul 2023 18:04:38 PM	View Document

### Institutions

The institutions section contains information about the participating university such as a link to their website, academic programs, eligibility rules. It is typically used by prospective students to learn more about a university before applying for admission.

### **Programme Information**

The programme information section shows the list of programmes added for admission registration. In this section, the applicant can check the programmes available for admission at universities/colleges, Minor subjects available and the total seats available.

### FAQ (Frequently Asked Questions)

The FAQ section shows answers to the general queries related to the admission process. The applicants can navigate to "How to videos" section on this page to watch video guides of the admission process.

### **Contact Us**

The contact us section shows the contact information of universities/colleges such as admission coordinator information, support email id and contact numbers.

### **Application Process**

### **Step 1: Registration**

Applicants who are new to the portal need to register to process their application for admission. Registration is required to create an account and login information.

To register for admission portal

- Click on the New Registration tab.
- On the new registration page, select "Yes" option in section "Do you have CUET application no.?"
- **Read the Important Instruction section/Admission guidelines** before registering for the portal.
- Add CUET Application Number in Applicant's CUET Application Number
- Add Date of Birth in the format of Day, Month, and Year
- (Note: You need to add your date of birth according to the CUET application form)
- Enter Captcha for verification.
- Click on "Register"
- Upon successful completion of the registration process, the applicant will be redirected to the verification page where the applicant will get an OTP on their registered Email ID.
- Applicants need to open their Email Id, enter the received OTP and submit it on the verification page to complete the registration process.

### Step 2: Login

The login section is the starting point for applicants to apply for the programme based on their CUET score.

To login into the portal, the applicant needs to click on the login button

- Enter your CUET application number.
- Enter the password
- Enter the captcha for verification in the type text box.
- Click on login to enter the portal

(Note: if you forget your password click on "forgot password" link which will redirect the applicant to the Request Password Page, the applicant need to add CUET

# Application Number, Enter the Captcha for verification and click send. Reset password instructions will be sent to the applicant's registered email id).

After successful login, the applicant can start their application process for admission.

Applicants are required to fill in their profile details in the profile section
